

Is it time to rebrand yourself for success?

If you've been looking for work, it might be time to consider a Career Coach to provide the *right* career guidance.

EMPLOY offers exceptional vocational counselling services for people looking for dynamic solutions to job seeking in the current economic climate.

While other companies offer to simply 'fix your resume', EMPLOY offers a comprehensive one-stop-shop approach to fully launch you on an exciting and successful career path!

Our team of seasoned and qualified HR Professionals and Career Coaches will assist you :

- Remarket yourself for the current climate
- Rebrand and redesign your resume
- Profile your interests, work history and strengths to develop a career action plan
- Offer one-to-one mentoring and career guidance
- Show you how to get the best out of the search & service functions on all major job boards
- Assist with career networking platforms including LinkedIn, Facebook and Twitter
- Coach you with winning interview strategies
- Groom you through the 'behavioural questioning' process and outcomes
- Design your own website* (great for individuals setting up their own business)
- Offer full access to our business centre

Chose from our packaged options (left) or speak to us about a tailor made solution just for you.

Contact EMPLOY today, and we'll find you the *right* solution every time!

* website design—additional price on application

a) Rebrand your resume \$99.95

Our experienced consultants will sit down with you (face-to-face) and fully explore your current CV and rework through your previous work history, interests, skills and strengths. We'll work out with you what format (from traditional templates to modern, fresh & funky designs) you'd like your resume presented on. This package includes 5 colour copies to take away with you as well as an electronic copy for you to replicate from.

(Additional charge applicable for scribing a resume completely from scratch).

b) Interview coaching & resume rebranding \$199.95

All the benefits of the resume offer as well as a separate one-to-one 1 hour coaching session to fully groom you on every case scenario for an employer interview. We'll work predominantly on "behavioural and competency based questioning" techniques and all possible processes and outcomes.

c) Work profile, interview training & resume package \$299.95

All the benefits of the above two packages as well as a complete career and personality profile in order to design a personal career action path. We'll work through how to get the best results from all major job boards and together we'll develop a list of potential employers and a precise strategy of introduction, approach and of course winning over the interview panel!

d) The Lot \$399.95

All the benefits of the above packages as well as guidance on self marketing strategies on today's network platforms such as MySpace and Facebook. We can even assist you set up your own website* if you need it! And for an additional fee you can also have at your disposal our business centre to email, fax and call (printing/phone calls at additional charges) to launch you on your exciting new career path.
